Music:

- Let's check in with Joe about singing "Skip To My Lou" offstage

- Spots for "Raving Beauty"?

Projections:

- Test the projector on the curtain

Costumes/Makeup:

- Esther, Agnes, and Tootie had trouble keeping the hats on their heads while dancing in "Under the Bamboo Tree" with how their hair was done today (ponytails/pigtails). Just something to think about in case this becomes an issue during tech.

- Let's add a newspaper for Grandpa
- We need to take the tags off the hats!

Sound:

- We will need to bump up Lucille's mic during her scene (act 2 scene 3), she has a very quiet voice
